Intramural is about fun! Playing within the community.

Intramural provides an opportunity for kids to play the great game of soccer where other priorities may take precedent. Intramural focuses on providing each child with a well-rounded soccer experience. The goal is to develop skill at all player positions and assist each child reach their best potential. Game or tactical strategies are not a big focus. This is not about winning and losing, this is for children to enjoy recreation, develop new friendships and to have FUN. Sportsmanship and learning skills for the game are featured. Games are on local fields and are rarely played on Sundays.

Children are re-mixed on different teams each season to develop camaraderie within the age group and expose each child to a variety of coaches. Teams are assembled to be as equal as possible. This is about fun and a high level of "friendly" competition.

Volunteer support is expected. See the website "Parents" page for job descriptions. Intramural needs everybody's contribution of some time or talent to keep this growing club working. Thus, please pay close attention to the volunteer request on the form. If you volunteer as a Head Coach or Assistant Coach, you need only volunteer for one child. If you have more than one child and have not signed up to be a HC or AC then you need to volunteer for each child. Any registration form submitted without volunteering, or paying the non-volunteer fee, cannot be accepted. We really need the help, not the non-volunteer fee option.

- Head Coach (HC)** ----- Primary responsibility for team organization and training.

Younger children: Under 5 and 6 (U5) & (U6) age groups have one practice per week with 1 game on Saturday.

Older children: Under 8 (U8) and older groups will have two practices per week with 1 game on Saturday. There may be additional games played on weekday evenings for all age groups.

Sorry - We Cannot Honor Special Requests. Due to Club size, our emphasis on proper player development and a desire for equal and fair team assignments, there are NO requests accepted for specific team placement, coaches, or practice times. This policy reflects the club's interest in fair play, developing camaraderie within the entire age group, as well as a desire to have players interact with many different players and coaches. Children WILL NOT be allowed to "move up" age divisions. If your child cannot practice on certain days because of prior commitments then indicate on the application; we will TRY to honor those requests.
